Dear Michael:

DOCKET	
06-AFC-8	
DATE	AUG 14 2007
RECD.	AUG 15 2007

Subject: Bullard Energy Center, LLC – Change Request for Site Location

Regarding your letter dated July 27, 2007, PG&E confirms that it considers this site change only a minor modification to the Power Purchase and Sale Agreement dated as of April 5, 2006, subject to the following:

- Final and non-appealable CPUC acceptance of the advice letter that PG&E will be required to file,
- Confirmation that Bullard Energy Center, LLC does not currently propose to change the contractual timeline, and
- Confirmation that the CEC will treat the changes as a supplement to the existing Application for Certification (AFC).

We appreciate your intent to keep PG&E informed as to your rezoning progress, and are also interested to hear your plans for ongoing community outreach.

Thank you and please feel free to call John Crosson at (415) 972-5288, if you require any further clarification.

Sincerely,

TED YURA
